BUILT TO BEGIN WITH YOU

Before a collection becomes a collection, it's a feeling. A fabric weight, a colour, a silhouette that won't leave you alone. This is how we think about that stage — the references that excite us, the materials we work with, the designs we're capable of producing.

The images here are directional — a mood, a hand-feel, a standard. Our sourcing works across mills in India and beyond to find fabrics that hit that mark, whether you're looking for deadstock options, sustainable fibres, or a signature textile that's yours alone
